SMUDGE SAYS HI!

I wanted to say hello to Rusty...er, I mean Firestar. Princess is fine, right now she is at the movies with her mate, Mountain. I would stay longer and chat but I agreed to meet this pretty she-cat at Burger King for a cheeseburger. I am going to Italy on vacation next week so I learned some Italian. Okay then, ciao!

SMUDGE SAW HAWKSTORM'S COMMENT ON THE LAST CHAPTER

He's dead! :(And I didn't even get to go to his funeral ! My life is ruined, ruined! Oh Rusty, all the times we spent together...

Bluestar Learned Something New!

Bluestar: I just learned how to play soccer, watch I'm going to score a goal.

Nightstar: That's an own goal, mouse-brain!

How Dare You Question My Intelligence Hawkstorm? Smudge says.

I got a degree at Harvard in ridiculousness! And you call me stupid!

Smudge is VERY angry now

NOTE FROM CRAZYSTARTHUNDERCLAN: If Smudge was smart enough to read, he would be able to tell it said "ULTIMATE CHEESEBURGER GUN" on the side of the plastic gun. And he got it from the Twoleg kit's room. :)

Hawkstorm! You apologize right now or else! (Waves cheeseburger gun in the air)

Redtail Speaks

I'm officially overweight.

Smudge Shoots and...

Hawkstorm! That's the last straw! (boom) What? A cheesburger? My housefolk have betrayed me!

Sunstar And Pinestar

Sunstar: Pinestar let's go play in the sandbox. And then we can eat pie for the rest of the day. Yay!

Pinestar: Wouldn't you rather just watch TV with popcorn?

Sunstar: Sure, as long as I don't have to watch a Dora marathon like last time you suggested that!

Pinestar: Why not? It's a wonderful show!

Sunstar: For kits!

Snowfur Talks About Her Sister

My sister, Bluestar, is insane. She has been talking about the World Series for the past five months, before the 2012 MLB baseball season even began! I woke up one day to Bluestar screaming something about football and Drew Brees. She is obsessed with soccer and she wakes me up early on Saturdays to be a goalie so that she can practice scoring lame goals. StarClan help me, before I lose my sanity too!

Yellowfang Invented a Song!

Sing 100 times: Blackstar is stupid! *clap, clap, clap* He smells like mouse dung *clap, clap, clap* He is ugly *clap, clap, clap* He looks like a frog *clap, clap, clap*

A note from Yellowfang: Even Mozart couldn't have written a better song! Wasn't it awesome! Please comment!

Who am I?

Clues:

I am strange.

I am talking to you right now.

Hollyleaf Speaks

I am a big fat cat! I am hungry, give me a cookie!

Pinestar: Sure. (Grabs remote. Sunstar walks into the kitchen and disappears.)

Sunstar: Do you want a straw Pinestar?

Pinestar: Sure. (Stops scrolling through the channels) Yes, it's on! (Music starts playing on the TV)

Sunstar: What's on? (Comes racing out of the kitchen with the lemonades)

Pinestar: My favorite show!

Sunstar: (looks at the screen) Pinestar, not Dora the Explorer again!

Sunstar and Pinestar Episode #4

Sunstar: Let's watch Wipeout now.

Pinestar: No! It's too scary! (starts crying)

Sunstar: (sighs) Pinestar, are you a kit? Even Mosskit likes Wipeout and Mosskit doesn't think it's scary! What is wrong with you?

Pinestar: (still crying) Twolegs get hurt!

Sunstar: Since when did you care about Twolegs? Oh wait, I forgot, you were a wimpy kittypet.

Dappletail Speaks: I want to know how to get kicked out of ThunderClan

Here's some ways to get kicked out of ThunderClan:

1. Say that Firestar was a mangy kittypet.

2. Call Jayfeather "a useless old tom"

3. Say that Lionblaze is a she-cat.

4. Say to Bramblestar "Hey, Bramblekit! Where's your father?"

5. Start a forest fire.

6. Sing "I like bananas!" repeatedly until they kick you out.

7. Ask to speak at a Gathering and then say, "I like bananas!"

8. Go into the nursery and scream, "Badger attack!"

9. Go up to Leafpool and say, "Where is your mate?"

10. Call Berrynose "a bossy, old, worthless kittypet."

What do you think? Please comment!

-Dappletail

Smudge Speaks to Hawkstorm (AGAIN!)

You bought a pizza from mousefur! You're supposed to buy from me, not her!

Mousefur yells at Patchpelt

Come in here, you stupid furball. You ate a TERRIBLE Smudge pizza off of the floor. You are not my friend anymore!

Smudge and Patchpelt

Smudge:Here, my favorite cat! Free Smudge pizzas for the rest of your life.

Patchpelt: Thanks! Can I have 100 right now?

Smudge: (muttering) Uh-oh. (Louder) Fine, but it might take a couple of days.

5 Days Later...

Smudge: Here.

Patchpelt: Thanks, Smudge-cat.

Smudge: Umm...I don't know what to say.

Patchpelt: Next time, could Smudge-cat work a bit faster? Smudge-cat takes too many naps.

Sunstar: Yes, you are! You left your Clan and betrayed us!

Pinestar: I just wanted to live a better life!

Sunstar: I don't even know why you made it to StarClan.

Pinestar: I was a good cat.

Sunstar: (sighs) Whatever! We're watching Wipeout whether you like it or not! (turns Wipeout on. a big male Twoleg falls into the mud and Pinestar starts crying. Sunstar stares at him as he runs out of the room)

Pinestar: (from the other room) He's hurt! He fell from so high up! Oh Sunstar, how can you be so cruel as to watch that terrible show!

mousefur: best in the world!

firestar: you better decide before things start getting crazy! (frying pan hits him on the head. mousefur missed smudge and hit him instead) hey, mousefur! watch it! (whispers) see what i mean?

An Interview with TheLionPrideLioness(Lionclaw)

Crazystar: Who is your favorite cook...Mousefur or Smudge?

Lionclaw: Umm, it's so hard to decide but I like Mousefur's, sorry Smudge but her's are not burnt!

Crazystar: Is Mousefur nice to you or not? MoonCrystal said she is mean!

Lionclaw: She is nice to me, I think she hates MoonCrystal though, she always gets my orders right.

Crazystar: Do you think she charges too much for one pizza?

Lionclaw: No not really, I always give her a mouse just in case. She keeps tips from me because I like her pizzas! Yum!

Crazystar: Is the chicken topping the reason you like Mousefur's pizzas more?

Lionclaw: .....Kinda yes, and they aren't burnt.....like someone I know *Cough Smudge Cough Cough*

Crazystar: What is the worst thing about Smudge's pizzas?

Lionclaw: Hmm.....possibly the burnt crust, sorry Smudge it's true.

Crazystar: Is it true that his pizzas taste like cardboard?

Lionclaw: Yes, sorry Smudge....again.

Crazystar: What do Smudge's burgers taste like? Are they better than Mousefur's?

Lionclaw: Weellllll, yes sorry Mousefur, but your expertice is in pizzas! No offense.

Crazystar: Do you think Smudge makes better french fries than Mousefur?

Lionclaw: Mousefur makes them better, Smudge keeps them in the fryer too long.

Crazystar: Mousefur's fries are saltier than Smudge's, right?

Lionclaw: Yes they are. Smudge's are a little dry.

Crazystar: Is it true that Mousefur uses sea salt on her fries?

Lionclaw: Yes, it is. I LOVE her fries! Can I have some after the interview?? Yummy yummy fries!!

Crazystar: Sure, after the interview, we can go to her McDonald's. So, do you like Mousefur's chicken nuggets?

Lionclaw: Yes, also because Smudge doesn't like chicken! *Sticks tongue out at Smudge*

Crazystar: Aren't you afraid that Smudge will get his Twolegs to hurt you?

Lionclaw: No, I'm a warrior! I know how to use these claws!

Crazystar: I suppose it is hard to be afraid of Smudge after the cheeseburger incident with Hawkstorm. Do you have any comments on that?

Lionclaw: It was SO funny! I rolled on the floor laughing so hard. Firestar came down to talk to me and I couldn't talk because I was laughing so hard! I still do!

Crazystar: Are you glad Firestar and Lionheart published this book?

Lionclaw: Yes I am! A million thanks to Firestar and Lionheart! Thanks you guys so much!!

Crazystar: I'm sure they appreciate it. Thanks for your time, and I'll post this right away!

Lionclaw: Okay thanks to you for this!

Crazystar: No problem!

An Interview with MoonCrystal(Mooncrystal)

Crazystar: Who's your favorite cook...Mousefur or Smudge?

Mooncrystal: Mousefur!

Crazystar: I thought Mousefur was mean to you.

Mooncrystal: Yeah, but the pizza was good! I mean...HOW DARE SHE EAT MY PIZZA!!

Crazystar: Is it true that you lied about Mousefur stealing your pizza? Or did she actually steal it?

Mooncrystal: She STOLE it! It's true she gave me an EMPTY pizza box!

Crazystar: Are you sure you didn't eat it?

Mooncrystal: YES! If I did I would not still be hungry.

Crazystar: So...why do you say Mousefur is your favorite cook then?

Mooncrystal: Because, uhhh, because Smudge's pizza tastes like cardboard!

Crazystar: Is it true that they his pizzas are always burnt?

Mooncrystal: Yes, sorry Smudge, but you should work on not giving cats pizzas that are black....

Crazystar: I'm sure he'll love to hear that, don't you agree? :)

Mooncrystal: Sure, I guess....

Crazystar: Is it just me or is that Smudge sneaking up behind you with a cheeseburger gun?

Mooncrystal: Well I'm ready! Here's my ICE CREAM GUN!!

Crazystar: Speaking of burgers, do you like Smudge's burgers better than his pizzas?

Mooncrystal: YES! Much more then his pizzas! Yum!

Crazystar: Who's burgers do you like the most...Mousefur's or Smudge's?

Mooncrystal: Smudge's, surprisingly, he is good at something!

Crazystar: Are Mousefur's burgers good?

Mooncrystal: 50-50

Crazystar: Who makes better french fries?

Mooncrystal: MOUSEFUR!! They're lip-smackin' good! And SALTY! I love salt!

Crazystar: Does Mousefur make good chicken nuggets?

Mooncrystal: Both cooks make pretty bad chicken nuggets. And I LOVE chicken nuggets so that's saying a lot.

Crazystar: I thought Smudge didn't make chicken nuggets! He's allergic to chicken!

Mooncrystal: There's a rumor going around. Purdy gave me some of Smudge's nuggets.THAT'S why he was sneezing so much!

Crazystar: I just looked at the menu online...it doesn't have chicken nuggets on it!

Mooncrystal: Well he must have a secret cook that makes them for him!! Lucky Purdy!

Crazystar: We all envy him...well maybe not!

Mooncrystal: Haha! Elders get all the good stuff!

Crazystar: Thanks for your time!

Mooncrystal: You are welcome! Mooncrystal luvs Crazystar! Bye bye now!

Snowfur: (sighs) Here we go again!

Bluestar: (yelling and crying at the same time) Justin Verlander, I will bring the wrath of StarClan down upon you! You have let the whole world of baseball down and I will never forget this!

Snowfur(sighs again): I am starting to get a headache...

Bluestar: Justin Verlander, you are officially the worst pitcher in Major League Baseball! You should be fired and your coach is stupid if he doesn't fire you!

Snowfur: Does she ever shut up? All I ever hear about is sports and sports and more sports...

Bluestar: You will pay and Snowfur will help me, won't you Snowfur?

Snowfur: Maybe...if you SHUT UP!

Firestar: Okay...I'll just go to Mousefur's.

Smudge: NOOO

Smudge (to himself): Oh, when he says cheese pie, he means a pizza.

Patchpelt: You always burn your cheese pies!

Smudge: Not ALWAYS!

Patchpelt: Fire-Fire-cat is smart. He knows that Smudge-cat takes too many naps!

Patchpelt: Mousefur-cat never burns her pizzas!

Crazystar: What is your name for me?

Patchpelt: Crazy-cat!

Crazystar: Never mind...who's burgers do you like better...Mousefur's or Smudge's?

Patchpelt: Tough one...Smudge-cat's taste better but he takes forever to make them because he is always taking a nap. Mousefur-cat can make them in five minutes, and she has better, saltier fries!

Crazystar: So...do you like Mousefur's ice cream?

Patchpelt: It's yummy and creamy...I love the vanilla. And...look! It's a zebra-horse! (runs off)

Crazystar: That cat is weird...

Brightflower Invented a Song!

My daughter Yellowfang thinks she is so good at inventing songs, right? Well I am better. Watch this:

(Sing to the tune of Twinkle, Twinkle, Little Star. See? I can pick a tune, unlike Yellowfang!)

Lalalalalalala,

Smudge is a stupid kittypet,

Lalalalalalala,

At his pizza place what do I get?,

Lalalalalalala,

A burnt and black pizza!

Good right? Please comment (whispers softly, not wanting the audience to overhear, "Mousefur, you owe me $100 dollars now. Remember our deal?")

Firestar says, "Are you bored?"

Is this story getting boring? I can help you with that...Lionheart filmed a scene of me with Patchpelt at Mousefur's McDonald's yesterday.

Firestar: What are you drawing in your notebook right now?

Patchpelt: Cheese ponies!

Firestar: Cheese ponies?

Patchpelt: Yeah! Cheese ponies! You know what cheese ponies are, right, Fire-Fire-cat?

Firestar: Umm...no. Could you tell me, Patch-Patch-cat?

Patchpelt (gasps): Fire-Fire-cat doesn't know about cheese ponies. StarClan must be angry!

Firestar: I don't know what to say**...**

Patchpelt: Cheese ponies are big pretty yellow ponies that smell like pizza!

Firestar: Patch-Patch-cat...I don't think cheese ponies are real.

Patchpelt (glares at him): Yes, they are!

Firestar: Then...where do they live?

Patchpelt: On the clouds way up in the sky!

Firestar(starts laughing): Patch-Patch-cat! Ridiculous...and what would they eat then?

Patchpelt: The sun!

Firestar(still laughing): How can they eat the sun?

Patchpelt: They take one small bite at a time! Have you noticed how the sun looks smaller everyday?

Firestar: No....

Patchpelt: One day, the sun will be gone!

Firestar(snorts): Whatever...

Patchpelt(ignoring Firestar): And then, they will have to start eating the moon!

Flametail Speaks en Español

I used Google Translate. Sorry for any mistakes.(I actually do know the french, just not the spanish!) :D

Flametail: No hablo inglés! (Crazystar Awesome Translator[CAT]: I don't speak english!)

Russetfur: Quoi? Je ne parle pas espanol ou anglais!(CAT: What? I don't speak spanish or english!)

Flametail:¿Qué idioma hablas?(CAT: What language are you speaking?)

Russetfur: Quoi?(CAT:What?)

Flametail: No tengo idea de lo que estás diciendo!(CAT: I have no idea what you are saying!)

Russetfur: C'est impossible! (CAT: This is impossible!)

Flametail: Esto es tan confuso! (CAT: This is so confusing!)

Mousefur, Firestar, and Patchpelt at Mousefur's McDonald's

Mousefur: What do you want to eat?

Firestar: I want a hamburger with ketchup, onions, and...

Patchpelt: Fire-Fire-cat! What is a hamburger? There is no ham on burgers!

Princess Speaks

Cheese Ponies!

Patchpelt: I can see...the light...pretty white light....wait, that's not white light! That's a cheese pony!

Firestar: That's not a cheese pony! It's light....(loud rumble interrupts him)

Patchpelt: That's the sound of their hooves! They must be running around now....maybe they're having a race, Fire-Fire-cat!

Firestar: Patch-Patch-cat, this is a thunder...(Patchpelt interrupts him)

Patchpelt: What are you saying about ThunderClan?

Firestar: Nothing!

Patchpelt: Look it's another cheese pony!(another loud rumble)

Firestar: Patchpelt, it's not cheese ponies. We are standing in the middle of a forest during a thunderstorm which is not a good idea....

Patchpelt: A thunderstorm? What's that? (bolt of lightning hits him on the tail. he passes out.)

Firestar: I tried to warn him...

Sunstar and Pinestar Episode #6

Sunstar: Hello, Pinestar. Wipeout just ended...

Pinestar: You seriously like that show?

Sunstar: It's awesome!

Pinestar: Whatever...

Sunstar: What is the one thing you couldn't live without? Mine is Wipeout.

Pinestar: Apple pie!

A Complete Waste of Your Time

My name is Goldenflower and I approve of this message.

Firestar eats bananas for breakfast.

-You just wasted ten seconds of your life- :D

SPOOF 1

Lionblaze: You broke your stick?

Jayfeather: Yeah, what's the big deal?

Lionblaze(stammering): I-I thought it was important to you!

Jayfeather: It was just a stupid stick!

Lionblaze: You've finally seen the light!

Jayfeather: I didn't see anything...

SPOOF 2

Amberkit(wailing): Mommy, don't leave me!

Brightheart: It's leaf-bare, Amberkit. I need to hunt for the Clan.

Amberkit: Can I come with you?

Brightheart: No. (leaves the camp)

Amberkit: I'm going to follow her!

(Brightheart is about to kill a mouse when a twig snaps beneath her paws.)

Brightheart: Mouse-dung!

(Amberkit emerges from the bushes looking confused.)

Amberkit: Mouse-dung? Where? I don't see any!

SPOOF 3

-This happened right after Squirrelkit and Leafkit were born! :D-

(Firestar hears loud yowling. Runs over to see what the commotion is. Smudge is being attacked by Dustpelt, Mousefur, and Ferncloud.)

Firestar: Stop! Go back to camp right now and leave this kittypet alone. Why are you here Smudge? Have you had more dreams about SkyClan?

Smudge(wailing): I needed consoling! My housefolk, they ruined my dream!

Firestar: What?

Smudge: They drove home in this new shiny red car one day!

Firestar: Car?

Smudge: Yes a car! They finally got rid of that old car and got a new one!

(Firestar stares at him, looking at him as if he had suddenly grown a third eye.)

Firestar: Okay...continue even though I have no idea what a car....

Smudge(interrupts him): I thought they had brought the red car home as a present for me! I thought they would teach me to drive it...but they haven't even let me in it!

Firestar: I have no idea what you are saying...

(Strange cat walks through bushes)

???: Hi, who are you?

Firestar: Um, Firestar. Who are you?

Smudge: This is Sparkle.

Sparkle: Do you want a pancake?

Firestar: What?

Sparkle: I stole one from my housefolk's refrigerator. Pancake party for the three of us!

Smudge: You actually did that! Awesome!

Firestar: Um, could you explain to me what a pancake is?

Sparkle(gasps): You don't know what a pancake is?

Firestar: No...

Smudge: Sparkle, you are talking to a wild cat!

Sparkle: He is a wild cat? (a note of fear enters her voice) Please don't eat me!

Firestar(rolls his eyes): Seriously?

Smudge: Ok...Firestar we have to leave. Pancake party, right, Sparkle?

Sparkle: Yeah.

(They both run off and disappear.)

Firestar: Kittypets...

SPOOF 4

(Two kits are tossing a mouse back and forth inside the ThunderClan camp. Bramblestar steals the mouse from them and glares at the two kits.)

Bramblestar: Why are you two playing with our precious prey in the middle of leaf-bare?

Lilykit and Seedkit: What's wrong, Bramblestar?

Bramblestar: You aren't supposed to play with prey. (holds up the muddy mouse) No cat can eat this now!

Seedkit: Sorry...

Lilykit: But Cherrypelt told us that back when she was a kit, she played mouse-ball all the time! So we wanted to check it out!

Bramblestar: Not mouse-ball, you fools! Moss-ball!

Mousefur Goes Crazy

Mousefur(runs around StarClan shouting): Pizza! Pizza! Chicken toppings and pepperoni! Come to my pizza place and eat! If you stop by today, you get free hot sauce and sour cream toppings! Only today at my pizzeria!

SPOOF 5

This is from when Leafpool was having her kits.

(Leafpool is sitting in the snow, writhing in pain. A small gray kit slides into the snow. The medicine cat sighs and licks her three kits.)

Leafpool: Look at them, Squirrelflight!

Squirrelflight: Sweet little things...

Leafpool: They are SO ugly!

Squirrelflight(gasps): What?

Leafpool: I wasn't being serious! I was just kitting!

Cheese Ponies! Part 2

Brambleberry: Stand back everyone, let me have a look at him...

Patchpelt(opens his eyes): I smell pizza...cheese ponies!

Brambleberry: Thank StarClan, he is alright!

Firestar(rolls his eyes): Of course he is! He only got his tail fur burned off! Any cat would think that it was the first time this ever happened...

Snowfur was a loyal warrior....

I am her mother...

I was very proud of her...

She was very brave....

And she had a beautiful kit named Whitekit...

She died on the Thunderpath chasing ShadowClan warriors off of ThunderClan territory...

She made it into StarClan...

And then, she betrayed us all...

SHE ATE ONE OF SMUDGE'S PIZZAS!

Dappletail speaks again: MORE ways to get kicked out of ThunderClan

11. Shout "FIRE! FIRE!" in the middle of the night, when there is no fire.

12. When it's raining, go into the elders den and start singing, "IT'S RAINING! IT'S POURING! THE OLD CAT IS SNORING! WHEN HE WENT TO SLEEP OH, HE BUMPED HIS HEAD AND HE COULDN'T GET UP IN THE MORNING!"

13. Every 5 seconds, say, "It's that time again! Time to annoy everyone!"

14. This one is the easiest of all. Just murder Squirrelflight!

15. Say that you hate kits.

16. Walk in Bramblestar's den in the middle of the night and yowl, "Something is terribly wrong!" and when Bramblestar asks what the problem is, say, "Your ugly face!"

17. Shout, "DOG!" and when some cat asks where the dog is say, "SOMEWHERE!"

18. Stand up at a Gathering and say, "Guess what?" and when everyone says, "What?" shout as loud you possibly can, "Bramblestar is a Twoleg in disguise!"

19. Shout, "EVERYONE COME OUT OF YOUR DENS!" then say, "Ok, I don't want to scare you guys, so take a few deep breaths and slowly look up..." and when everyone does and someone asks, "What is it?" start laughing and say, "The sky! HAHAHAHAHA! Made you look!"

20. Interrupt Bramblestar in the middle of a sentence at a Gathering and yowl,"I train with the Dark Forest! Guess what that means? I am going to kill all of you!"

Things That Happened in Your Life: Episode 1

Runningwind: Hello, StarClan! We are here tonight on *Things That Happened in Your Life.* I am your host, Runningwind, and tonight, our contestant is the one and only Firestar!

Patchpelt(from the audience): Yay, Fire-Fire-cat!

Runningwind: Firestar, do you know what the prize is if you win tonight?

Firestar: No.

Runningwind: You mean you haven't been watching our show?

A cat in the audience: Runningwind, you mouse-brain, this is the first episode of your quiz show!

Runningwind: Ok, then. Anyways, the prize is 500,000 mice!!!

(A huge container full of mice is rolled out onto the stage)

Runningwind: Okay, the first question is an easy one. It's kind of like an example question. Oh, and did I mention that this question is a yes or no question?

Mousefur(from the audience): Just ask the question already, you fool!

Patchpelt(from the audience): Hi, Mousefur-cat!

Runningwind: Alright, Mrs. Impatient Pizza-face. I'll ask the question.

Mousefur(from the audience): Hey! Did you just insult my pizzeria? No one dares to insult my pizzeria and you will...

Runningwind: Shut up or security will make you leave!

Mousefur: Let them try to make me leave!

(Bramblestar, Lionblaze, and Graystripe drag Mousefur away. She tries to claw all of them and is yowling furiously. Lionblaze hits her over the head with his paw and knocks her out.)

Runningwind: Anyways, the question is: Is your fur purple?

Firestar: Perhaps, or perhaps not...

Runningwind: This is a yes or no question!!!

Firestar: No.

Runningwind: Correct! Now, we're onto the real questions! Answer five more questions correctly and leave with...

Audience: 500,000 mice!!!

Runningwind: Question two, Who was Ferncloud's mother?

Firestar: This is so easy...

Runningwind: This is so easy, is NOT Ferncloud's mother. SO you don't win 500, 000 mice!

Firestar: But I...

Runningwind: That's all for now folks! See you next time on *Things That Happened in Your Life,* where hopefully our next contestant will have better luck!

Firestar: This is so easy wasn't my answer! The answer is Brindleface!

(Runningwind ignores him)

Runningwind: Have a wonderful rest of the evening, and may the prey be plentiful!

Things That Happened in Your Life: Episode 2

Runningwind: Hello, StarClan! We are here tonight on *Things That Happened in Your Life.* I am your host, Runningwind, and tonight, our contestant is the one and only Jayfeather!

(Crowd cheers)

Runningwind: Jayfeather, do you know what the prize is if you win?

Jayfeather: Um...500,000 mice?

Runningwind: Yay! You watched our show last time!

Jayfeather: Umm, not exactly...

Runningwind(frowning):You didn't watch our show?

Jayfeather: No...

Runningwind: Then how did you know the answer? Did Mosskit tell you before the show? I knew that kit couldn't keep a secret! (Runningwind glares at Mosskit. Mosskit starts crying and Bluestar glares at Runningwind)

Jayfeather: I simply read your mind!

Runningwind: Oh...

Jayfeather: Well, hurry up! You're wasting my time! Are you going to tell me the first question or not?

Runningwind: The first question is basically an example question. It's a yes or no question and...

Jayfeather: All I hear is blah-blah-blah! Ask me the question

already!

Runningwind: Ok then! You really are impatient...

Jayfeather: JUST ASK ME THE STUPID QUESTION!!!

Runningwind: The question is: Is your fur pink?

Jayfeather: How would I know? I'm blind!!!

Runningwind: Umm, how about deductive reasoning?

Jayfeather: Fine! My answer is NO!!!

Runningwind: Correct! Answer five more questions correctly and...

Jayfeather: Just get on with it! I'm getting so bored that I almost just fell asleep!

Runningwind: Ok, ok, just calm down already. Who stepped on your tail this morning?

Jayfeather: Is that the second question?

Runningwind: Umm, n....

Jayfeather: Mothwing did!

Runningwind: That wasn't the second question.

Jayfeather: Well, hurry up and tell me what it is then!!!

Runningwind: Who was Crowfeather's WindClan son?

Jayfeather: The one and only, arrogant traitor, Breezepelt!

Runningwind: Question three: Which ThunderClan cat was killed by a snake after saving a kit's life and...

Jayfeather: Honeyfern.

Runningwind: Ok, now who was Honeyfern's mother?

Jayfeather: Sorreltail.

Runningwind: Question number five: Which two cats ate water hemlock?

Jayfeather: Cherrypaw and Mousewhisker.

Runningwind: Final question. If you get this question correct, you win...

Audience: 500,000 mice!

Runningwind: Who was Berrynose's father?

Jayfeather: Smoky?

Runningwind: Correct! You have won 500,000 mice!

Jayfeather: So I can leave now?

Runningwind: No-no-no! There's one final question, should you choose to answer it. It's the BONUS QUESTION!!!

Audience: Ooh!!!

Runningwind: If you get this question correct, not only will you win 500,000 mice, but you'll also win 100,000 thrushes, 50,000 voles, and 35,000 rabbits! And that's not all...you also win A BRAND NEW MONSTER!!!

(A big black monster is driven onto the stage by Birchfall.)

Jayfeather: Oh yeah! That monster is SO mine!

Runningwind: But, if you answer incorrectly you go home with nothing but embarrassment!

Audience: Awwwww....

Jayfeather: I don't care! I got to try and win that AWESOME monster!

Runningwind: And one other thing. The question we're asking you

about is not about something that happened during your lifetime.

Jayfeather: I don't care!!!!! Ask me the question already!

Runningwind: Ok then. Which two cats came to ThunderClan for help in the old forest after sickness swept through ShadowClan, turned down by Bluestar, and then later taken care of by Cinderpelt?

Jayfeather: Littlecloud and, um...(hesitates for a few long moments)Whitethroat.

Runningwind: Correct!!!! You have won...

Jayfeather: A lot of lame prey AND A BRAND NEW AWESOME MONSTER!!!

(The prey is loaded into the monster. Jayfeather leaps into the monster and prepares to drive off)

Birchfall: Wait! Do you have a driver's license?

Jayfeather: Er, no. What's a driver's license?

Birchfall: Then you can't drive....besides, you're blind!

Jayfeather: I don't care! I'm leaving!

Runningwind: How did you know the answer to the bonus question?

Jayfeather: I read your mind!

Runningwind: Hey, that's cheating! Give me back my monster!!!

Jayfeather: BYE!!!

(The monster drives off across the stage. The monster swerves wildly and nearly drives right off the stage.)

Birchfall: Call the police! A blind driver with no driver's license...and he's under 16 too!

Bramblestar: Last time I checked, there are NO police in StarClan!

Lionblaze: I'll tell the border patrols to watch out though....

(Birchfall is chasing after the monster.)

Birchfall: Come back!

Runningwind(shouting): Jayfeather, how can you see where you're going?

Jayfeather(from the distance inside the monster): I can't!

(The monster drives out of view)

Runningwind: Ok then...while Birchfall sends the border patrols to catch Jayfeather, I suppose that's the end of another episode of *Things That Happened in Your Life!* Good-bye and may the prey be plentiful!

Things That Happened in Your Life: Episode 3

Runningwind: Hello, StarClan! We are here tonight on *Things That Happened in Your Life.* I am your host, Runningwind, and tonight, our contestant is the one and only Patchpelt!

A cat in the audience: That cat doesn't belong on a quiz show! He believes in ponies in the sky that smell like pepperoni!!!

Patchpelt: Are you insulting cheese ponies? Be careful, they may strike you down with lightning!

Bluestar: Weirdo!

Nightstar: I wouldn't be talking if I were you, Bluestar....

Bluestar: Shut up, frog-breath!

(Nightstar launches himself at Bluestar. Security has to drag Nightstar off of Bluestar)

Runningwind: Patchpelt, do you know what the prize is if you win?

Patchpelt: Umm....free cheese pies from Mousefur-cat's restaurant for life?

Runningwind: No. The prize is...

Audience: 500,000 mice!

Runningwind: Our first question is an example question. It's a yes or no question...so is your fur green?

Patchpelt: Umm, me-cat don't think so...so me-cat's answer is no!

Runningwind: Correct! Answer five more questions correctly and you win...

Audience: 500,000 mice!

Runningwind: Which cat came into ThunderClan as a kittypet?

Patchpelt: Fire-Fire-cat!!!

Runningwind: Um, who's Fire-Fire-cat?

Bluestar: That weirdo cat's name for Firestar.

Runningwind: Correct! Question three: What natural disaster caused Halftail's death?(A/N: This natural disaster also caused Patchpelt's death)

Patchpelt(shuddering): A fire.

Runningwind: Correct! Question four: Which cat was Crookedstar's mate?

Patchpelt: Willow...hey look, it's a zebra-horse!(runs off the stage into the crowd)

Runningwind: Okay then...I suppose that means Patchpelt won't win...

Audience: 500,000 mice!

Runningwind: Okay, then, until next time, may StarClan light your path and may the prey be plentiful!

Things That Happened in Your Life: Episode 4

Runningwind: Hello, StarClan! We are here tonight on *Things That Happened in Your Life.* I am your host, Runningwind, and tonight, our contestant is the one and only...um, what's your name again.

Ugly blind tom with white fur: Rock.

Runningwind: Um, yeah...you're Jayfeather's friend right? You and him...the Blind Buddies!

Rock: You are annoying Runningwind.

Runningwind: Audience, tell Rock what the prize is if he wins.

Audience: Ooooh, shiny!

Runningwind: What?

(Runningwind turns to face Rock. Rock is holding a pendulum in his mouth and is swinging it back and forth.)

Rock: You are now hyponotized. I will be able to control you whenever I want to.

(Audience and Runningwind nod dumbly.)

Rock: You will give me the 500,000 mice right now. You will put the mice in the brand new monster that you have backstage and you will then drive the monster onto the stage. Then, you will let me take off, and as soon as I am gone, you will say whatever you usually say before you end the show, and then you will end the show. Now go do what I just said!!!

(The brand new monster is driven onto the stage. The 500,000 mice are stuffed into the monster. Rock jumps into the monster and drives off.)

Runningwind(in a trance) : Okay, then, until next time, may StarClan light your path and may the prey be plentiful!

Chapter 1

I could still see his beautiful amber gaze in the back of my mind. I could see his dark fur, his regal posture, and his powerful muscles beneath his fur. I looked around the warriors den and hesitated before murmuring quietly, "I love you, Tigerstar."

I heard a shocked gasp and looked up to see my crippled sister, Briarlight, hauling herself into the den. "What?!?!?" Briarlight exclaimed.

I glared at her. "Go away, Briarlight," I meowed. "It's none of your business."

"It is my business when my Clanmate and sister says something as mouse-brained as that! Did you really just say you love *Tigerstar?*" Briarlight asked.

I stepped forward and shoved my nose in her face. "Yes! And why does it matter to you?" I growled.

"You can't love that murderous, traitorous cat!" Briarlight exclaimed. Then, she paused, and started laughing. "Oh, funny joke! Of course you don't love Tigerstar! You've never even met that treacherous cat!"

"Who says I haven't met him?" I snarled.

"Wha-wha-what; how-" Briarlight stammered in shock.

"No one asked for your advice, you crippled, worthless, stupid she-cat!" I shouted. "And if you tell anyone about it, it'll be the last thing you ever say or do!"

From Hawkfrost's diary: Ways to Get Kicked Out of RiverClan

Dear Fluffy, my amazing pink diary,

RiverClan has so many stupid rules and they insist on following something ridiculous that they refer to as the warrior code. I can't bear to follow it anymore. I can't bear to live in RiverClan anymore! So, I've come up with 20 different ways to get kicked out of RiverClan. Here they are:

1. Run around the camp screaming, "Everyone, DIE!!!"

2. Kill Leopardstar and put her body on the fresh-kill pile.

3. Destroy all of the medicine cat's supplies.

4. Poison all of the fish.

5. Call a Clan meeting from the Highledge and say, "Guess what guys? I'm Tigerstar's son and I'm proud of it!"

6. Say that Leopardstar loves Onestar every 10 seconds.

7. Run into the nursery and steal the kits right when all of the queens are watching!

8. Say, "WE HAVE A SMALL PROBLEM!" and when someone asks what's wrong, say, "I killed Leopardstar and Mistyfoot, so we don't have a leader! So you have to choose me!"

9. Steal Mistyfoot's hairbrush.

10. Say, "I hate StarClan!"

11. Say, "BloodClan was awesome! Why did you guys have to kill Scourge? I would have loved to meet him!"

12. Interrupt Leopardstar at a Gathering and say, "I wish I was a kittypet!"

13. Walk into Leopardstar's den without asking for permission and tell her, "Firestar is a better leader than you and he's a KITTYPET!"

14. On the first snowy day of leaf-bare, say, "Happy leaf-bare!" to every cat.

15. Start singing a Justin Bieber song.

16. Run into the nursery when the kits' mothers aren't there and say, "YOUR MOTHERS ARE DEAD!" to the kits.

17. Put tobasco sauce on a piece of fresh-kill and give it to Leopardstar.

18. Give the kits a piece of fresh-kill with tobasco sauce on it and let them eat it.

19. Feed the kits deathberries.

WANTED FOR STEALING FIRESTAR'S COOKIE

Why do I smell smoke?

(Crazystar is yelling at Mosskit for going to Smudge's pizzeria)

Crazystar: What were you thinking? Smudge's pizzas are...(suddenly stops and sniffs the air)

Crazystar: Why do I smell smoke?

(Walks into Smudge's pizzeria)

Crazystar: Smudge!!!! Are you baking burnt cookies again?

Smudge: Want a cookie?

Crazystar: NO! QUIT MAKING STARCLAN SMELL LIKE A SEWER!

Smudge: MY COOKIES DON'T SMELL LIKE A SEWER!

Crazystar: Yes, they do!

Smudge: No they don't!

(Crazystar grabs a frying pan and whacks him on the head)

Crazystar(stares at Smudge, who is unconscious): Learned a lesson yet, huh?

November 13 special: How Bramblestar died...

Squirrelflight: This song is amazayn!

Music: And let me kiss you!

(Bramblestar walks into the den looking angry)

Bramblestar: What is that hideous noise?

(Squirrelflight leaps to her feet and unsheathes her claws)

Squirrelflight: WHAT DID YOU SAY?

Bramblestar: I hear horrible noise coming from this den...

Squirrelflight: YOU DARE TO INSULT MY ONE DIRECTION!!!! GET OUT OF MY KITCHEN!

Bramblestar: What's a kitchen?

Squirrelflight: MAY A GIGANTIC CARROT FALL ON YOUR HEAD TONIGHT!

Bramblestar: Huh?

Squirrelflight: You don't get it either do you? LOUIS LIKES CARROTS!

Bramblestar: Who's Louis? And what's a carrot?

Squirrelflight: I can't believe you don't like One Direction!!!!

Bramblestar: I'm so confused...

Squirrelflight: By the way, I'm not your mate anymore!

Bramblestar: ....

Squirrelflight: I WILL BRING THE WRATH OF STARCLAN DOWN UPON YOU! ONE DIRECTION IS...

Bramblestar: The wrath of StarClan? Why would I be deserving of the wrath of StarClan? What is wrong with you Squirrelflight?

Squirrelflight: StarClan, if you agree with me and you think that One Direction is the best band ever, than strike this hater down with lightning.

(Thunder roars. Lightning comes down from the sky and hits Bramblestar. Bramblestar falls to the ground, unmoving.)

(Squirrelflight returns to the music)

Squirrelflight: Oh, I just love the new album! Niall and Louis finally got more solos and...

Another Chapter from Firestar...

**HI!!!

Yay! No School!!!

(At Flametail's school, in Honeyfern's homeroom[the little kits have homeroom studyhall at the end of the day])

Honeyfern: Come on, sweetheart, I know you are excited for Thanksgiving break, but you have to do your homework now.

Larchkit(the kit throws his pencil onto the ground and glares at Honeyfern): But I don't wanna do my homework!

Honeyfern: You don't want to have do it during Thanksgiving break, do you?

Larchkit: No!

Honeyfern: Then you have to do it now.

Larchkit: No!

Honeyfern: Then when else are you going to do it?

Larchkit(smiling happily): I'm not going to do it!

Honeyfern: But you have to do it, sweetheart...

(Bell rings)

All of the kits: Yay! No school for a whole week!

Honeyfern(blocking the doorway): No-no-no! Clean your desks off before leaving!

(Kits try and squeeze past her. Larchkit and a few his friends jump onto Honeyfern's head and scramble onto her back. Then, they leap down off her back on the other side of the doorway.)

Honeyfern: Whoa!

(Honeyfern falls over. All of the kits run off.)

Honeyfern: Oh my great StarClan! You all are such spoiled brats!

A Strange Kit

(Firestar is eating at Mousefur's pizzeria, when Mosskit walks in.)

Mosskit: Happy Monday!

Firestar: Um, ok then....even if I have no idea what Monday is....

Mosskit: Happy leaf-bare by the way! I hope it snows so I can go skiing!

Firestar: Huh?

Mosskit: Are you ready for...

(Bluestar enters the pizzeria.)

Bluestar: There you are, Mosskit! I've been looking for you all over the place and I couldn't find you! Come on, let's go back to our den.

(Mosskit walks over and jumps onto his mother's back,)

Mosskit: Bye-bye, Firestar!

(Bluestar seems to notice Firestar for the first time.)

Bluestar: Oh, hey, Firestar. Has Mosskit been bothering you?

Firestar: Um.....no...

Bluestar: Good. So....are you going to see the fireworks show at Graystripe's den tonight?

Firestar: What are you talking about? What in the name of StarClan is a fireworks show?

Patchpelt's friend...

Patchpelt: Hey, Fire-Fire-cat! I brought a friend of mine with me! I want him to meet you! His name is Brackenfoot!

Firestar: Um....hey, Brackenfoot. Well, um...how do you know Patchpelt?

Brackenfoot: But I wanna cookie!

Firestar: What?

Brackenfur: Ice cream and chocolate-flavored popcorn!

Firestar: You're confusing me...could explain what you're trying to say to me?

Brackenfur: Bad dog! I want to watch a movie!

Firestar: Um, Patchpelt....what in the name of StarClan is your friend trying to say?

Brackenfur: Snow! Snow is everywhere!

Firestar: Um....

Brackenfur: Greencough is fun!

Firestar: What?

Brackenfur: Sing a happy song!

Firestar: I have no idea how I'm supposed to reply to that...

Brackenfur: Remember to go to sleep on time and say hi to your grandma!

Firestar: This is weird...

Brackenfur: Pancakes and apple pie!

Firestar: Is there something wrong with you, Brackenfoot?

Brackenfur: Yes, One Direction are tiny purple butterflies with blue hair!

Firestar: Ok, then....well, um...I guess I'll be leaving then....bye.

Brackenfur: No! Don't steal my hairbrush!

(Firestar runs off before Brackenfoot can say anything else.)

Happy Thanksgiving

(Mosskit sneaks silently into the section of Bluestar's den where she sleeps. Mosskit watches the clock which says 11:58)

(As soon as the clock turns to 12:00, Mosskit leaps into her nest and hits her on the shoulder with his paw.)

Mosskit: Wake up!

Bluestar(groaning): What do you want, Mosskit?

Mosskit(smiling): Happy Thanksgiving!

Black Friday Sales at Mousefur's businesses...

Mousefur: Everything at any of my restaurants! 50% off! But only from midnight to 2 AM on Black Friday! So come to one of my restaurants for unbelievably low prices and amazing food!

Brackenfoot....

Brackenfoot: Pumpkin pie is tasty and...

Patchpelt: Shh! Wait for it!

Brackenfoot: What? Bananas?

(Patchpelt puts his tail against Brackenfoot's mouth. A few seconds later, a bolt of lightning comes from the sky.)

Brackenfoot: What is it? It looks like pizza....

Patchpelt(smiling): It's a cheese pony!

Brackenfoot: What is that? Is it like a cupcake?

Patchpelt: No, mouse-brain! It's a pony in the sky that smells like pizza and eats the sun!

A Clan Meeting!

(Lionheart and Firestar are standing just outside the LionheartPublishing building)

Lionheart: Let all cats old enough to eat at restaurants join outside of the LionheartPublishing building for a Clan meeting!

(Cats come running from every direction.)

Firestar: We gather today to discuss a very important topic...

Birchfall: Capturing Jayfeather?

Firestar(glaring): You mean the border patrols still haven't captured that blind weirdo cat who stole a car on Runningwind's quiz show?

Birchfall(nodding): Yeah.

Firestar: Whatever. Who cares! It's Runningwind's problem.

Birchfall: But...

Firestar: Anyhow, the topic is restaurants!

Mousefur: Come to my pizza place! We have a very special offer until January 21st and...

Firestar(glaring at Mousefur): No advertising at Clan meetings!

Firestar: Anyhow....Dustpelt is thinking of opening a restaurant. We all know Dustpelt is a good cook....well, at least we know his brownies are awesome. But, anyhow, Dustpelt says it's up to you guys to choose which kind of restaurant he will open. It can be anything. This is an extremely important decision. Let me hear what you want.

Bluestar: Hot dogs!

Cloudtail: Cookies!

Patchpelt: I want a grocery store!

Bluestar: That's not a type of restaurant, stupid!

Nightstar: Fried frog restaurant!

Hailstar: All-the-fish-you-can-eat buffet!

Heatherstar: I want a bakery!

Whitestorm: I want a fine dining restaurant! Maybe he could grill steaks or something...

Stonefur: I want an Italian restaurant! I love spaghetti!

Mousefur: We don't need a new restaurant! The only restaurant we need is my pizza place! Until January 21st, buy one chicken and pepperoni pizza and get another one free! Also gift cards are now available and are perfect gifts for the holidays, so just...

Firestar: SILENCE!

(Every cat quits talking.)

Firestar: Let's have a vote. There will be two options: a steakhouse, or an Italian restaurant.

Hailstar: Awwww! But I wanted a fish restaurant....

Firestar: All in favor of a steakhouse, raise your tails.

(A bunch of cats lift their tails in the air.)

Firestar: Ok, all in favor of an Italian restaurant, raise your tails.

(Even more cats lift their tails.)

Firestar: Ok, it looks like Italian restaurant wins! Thanks for-

Mousefur: All in favor of just coming to my pizza place and forgetting about Dustpelt's stupid restaurant, raise your tail!

(Only Mousefur does.)

Mousefur: Idiots!(Turns around and marches off angrily.)

Firestar: Anyhow, as I was saying before I was interrupted, thanks for coming and have a nice day.

Whitestorm: Awwwwww! We still don't have a steakhouse in StarClan!

Stonefur: YAY! SPAGHETTI!!!!!!!!!!

Jayfeather Alert!

(An apprentice who is new to StarClan is eating at Smudge's pizzeria.)

Apprentice: Hi, I'd like a pepperoni and cat food pizza!

Smudge: Sure, just got to give you the standard warning, no refunds if burnt and...

(An alarm suddenly goes off.)

Alarm: Jayfeather alert! Jayfeather alert!

(A monster is driving up and down the streets, swerving wildly and going at 113 MPH. Suddenly, the monster makes a sharp right and crashes through the glass doors at the front of the pizzeria. It then crashes through the wall at the back of the pizzeria and turns onto the road on that side, still swerving wildly.)

Jayfeather: Please tell me if I'm about to crash into a lamppost!

(Birchfall drives a monster into the pizzeria. Smudge is standing in the monster's path and barely dives out of the way on time. Birchfall's monster has a huge donut gun on the top. Birchfall is trying to drive and fire donuts at Jayfeather's monster at the same time.)

Birchfall: I'll catch you soon! Oh, just where are the police when you need them?

Runningwind(from the sidewalk): Haven't we already gone over this? There are no police in StarClan!

Birchfall: Whatever! The border patrols are useless!

(Jayfeather screeches to a halt in the middle of the street. Birchfall swerves off of the road and crashes into a lamppost when he tries to avoid crashing into Jayfeather's monster. Jayfeather starts laughing.

Birchfall manages to get out of the ruined monster and limps around.)

Birchfall: Hey! That's not funny! We both could've been severely injured and-

Jayfeather(from the distance, driving away in the monster): Bye! See you later!

Christmas Cookies/Jayfeather Again?

Author's Note- If you don't celebrate Christmas, please don't get offended. Whether you do or you don't celebrate Christmas, you will find this chapter amusing.

Ferncloud: Do you want to bake Christmas cookies with me, sweetheart?

Larchkit(smiling): Sure!

(ONE HOUR LATER)

(Ferncloud carries cookies outside. Larchkit grabs three and throws all of them in his mouth at once.)

Larchkit(mouth full): It's good!

(Suddenly they can hear the roar of a monster going really fast. Jayfeather appears swerving wildly while Birchfall follows close behind firing donuts at Jayfeather. Pink icing on the back of Jayfeather's monster reveals that a few of the donuts actually hit his monster.)

Birchfall: You're about to crash into a fence, stupid!

Jayfeather(Doesn't slow down at all): I know!

(Jayfeather's monster crashes into the white wooden fence that surrounds Ferncloud's property and it falls down. Jayfeather drives across the grass of Ferncloud's yard. Birchfall sighs and follows.)

Birchfall: Another thing to tell the judge in court! Vandalism of private property...

Ferncloud: Hasn't someone already told you there's no courts in StarClan?

(Jayfeather drives past Ferncloud and Larchkit.)

Jayfeather: Hey, I want a cookie!

(Jayfeather opens the door and leans out the door, taking his paws off the wheel in doing so. He snatches the tray of cookies out of Ferncloud's paws, closes the door and then tosses one in his mouth.)

Birchfall: Another crime I can charge you with! Theft...Ferncloud, do you want to sue him in a court of law?

Ferncloud: What did I just say about how many courts there are in StarClan?

(Jayfeather's monster was heading towards a giant oak tree. Jayfeather puts his paws on the wheel and turns just in time to avoid crashing into the tree. He crashes into the fence on that side of the yard and pulls onto another road. The monster continues to swerve wildly.)

Birchfall(muttering to himself): I don't think he drives crazily, swerving wildly on the road, because he's blind. It's to avoid the donuts!!

On New Year's Eve...(Aka Fire-Fire-Cheese-Cat)

Patchpelt: That was a good cheese pie from Mousefur-cat's cheese pie place! Thanks, Fire-Fire-cheese-cat!

Firestar: Uh...what? I thought it was Fire-Fire-cat....

Patchpelt: Fire-Fire-cheese-cat, because you like cheese pie and you smell like pepperoni...so I wonder if you're a cheese pony in disguise!

Firestar: You are so weird....Patch-Patch-Weirdo-Cat...

Patchpelt: Sunstar promises to let me watch some ball drop in the square of time on the glow box if I get home before midnight...so I better go home.

Firestar: It's not called a glow box it's called a TV and it's not the square of time, it's Times Square...oh, never mind, I'm wasting my breath, 'cause you always call things whatever you want to call them...

Patchpelt: Bye, Fire-Fire-cheese cat!

Firestar: Bye, Patch-Patch-Weirdo-Cat....see you next year!

(Patchpelt stops walking and turns around with a confused look on his face.)

Patchpelt: Next year? But I am going to see you tomorrow at Mousefur-cat's steak sandwich place....

Firestar: First of all, it's a burger place not a steak sandwich place...steak sandwiches are a completely different type of food... and I KNOW MOUSE-BRAIN!!!!!!!!!!!!

Things That Happened In Your Life: Episode 5

Runningwind: Hey this your host, Runningwind, on you know what show....

Audience: Things That Happened In Your Life!

Patchpelt: Zebra-horses!

Runningwind: Tonight's contestant is the one and only Runningwind!

(Suddenly a platform appears descending from the ceiling. Lionheart is standing on it frowning unhappily.)

Lionheart: Your stupid quiz show isn't getting enough views, so we're removing it from LionheartPublishing Network. The first episode of our new program, The Birchfall Show, will be on after commercials.

Runningwind: What? But I...

(Commercial for Mousefur's pizzeria comes on.)

(A picture of Smudge sleeping in the kitchen of his pizzeria comes on the screen.)

Computer voice: Wake up, Mr. Smudgemaster! Your pizza is about to burn!

(Smudge continues to sleep. The words FIVE HOURS LATER flash on the screen.)

Smudge: Here you go!

(Hands his unlucky customer a pizza that's completely black. The cat stares at it looking horrified.)

(The video of Smudge and his customer freezes. Mousefur doesn't appear but you can hear her start to talk.)

Mousefur: Sick of burnt pizzas, but having no choice because you don't know about any other pizzerias? Well, you don't have to eat disgusting burnt pizzas anymore because there is another pizza place! You can enjoy amazing tasty pizzas at the World's Best Pizzeria owned by me, the professional cook! So stop on by sometime soon to enjoy awesome pizza!!!!!!!

(Commercial ends and The Birchfall Show comes on. You'll have to read the next chapter to find out what happens on The Birchfall Show! :D)

The Birchfall Show

Birchfall: Hello, and welcome to the first episode of the Birchfall show! We're going to give you a quick summary of the news in StarClan before the fun begins so...

Birchfall: The weather forecast for tomorrow is slightly cloudly with a chance of Jayfeathers. Yes, if you see Jayfeather please report it immediately to me for every cat's safety! We will arrest that mentally insane cat....

(A trap door in the floor opens and Lionheart's head sticks out of it.)

Lionheart: There are no prisons or police in StarClan! For the last time Birchfall.....

Birchfall: Can't you see I'm in the middle of the show?!?!?!? Anyhow, there's a five billion mice reward for capturing him...so to the fun part now! It's time to play the new sport I invented...Birchball!

Birchfall: Tonight's lucky contests are...Silverflame and Nightcloud!

(Silverflame, Nightcloud, and two monsters with donut guns on the top of them drop from the sky and land on the stage.)

Nightcloud: Ouch!!! Crowfeather, why did you make me do this?!?!?!?!?

Silverflame: I'm gonna win! I'm gonna be famous!!

Birchfall: For those of you who don't know what Birchball is, I'll give you a quick explanation of the rules. Birchball is meant to be played on a large field or stage like this. It must have two or more cats participate. The aim of the game is to hit your opponent's monster with as many donuts as possible! Every time you hit your opponent's monster you get a point! And, I'm sure you can guess,

whoever has the most points wins! The prize is something much better than 500,000 mice...

(Lionheart's head suddenly pops out of the floor again.)

Lionheart: Why do you call it Birchball if there's no ball?

Birchfall: SHUT UP LIONHEART AND GO AWAY!

Birchfall: Anyhow, the prize for toms is a jumbo jet!

Nightcloud: Aww, I want my own airplane, why do the toms always get all of the good stuff....

Birchfall: But the prize for she-cats is front row seats and a backstage pass to a One Direction concert, so you hear their music and actually meet them!

Nightcloud: Oh my great STARCLAN!!!!!! I SO WANNA WIN THAT!

Birchfall: Are you sure you don't want an airplane instead?

Nightcloud: NO! NO WAY! I WANNA MEET MY ONE DIRECTION!

Birchfall(smirking): I thought so...anyhow jump in your monster's and let's get started! There's one minute on the clock and it starts now!

(The two she-cats fire donuts at each other, most are way off target and a few come close to hitting each other's monsters but not appear to hit either monster.)

Birchfall: Time's up! The final score is: Silverflame: 0, and Nightcloud....1 point! Nightcloud wins!

Silverflame: AW! I'M NOT GONNA BE FAMOUS!

Nightcloud: Yes, I scored so many points! AND I GET TO MEET MY ONE DIRECTION! OH NIALL, I WANNA STAY UP ALL NIGHT AND DO IT ALL WITH Y-O-U!

Birchfall: That's all for now! Bye, and until next time, may the prey

be plentiful and may Jayfeather not bother you....

The Birchfall Show Episode #2

Birchfall: Hello, StarClan, this Birchfall and Whitewing, who I brought to help me with the play-by-play commentary for today!

Whitewing: Hi!

Birchfall: So yeah, we're back here for another great episode of the Birchfall Show!

(Audience cheers.)

Birchfall: Oh, I forgot to mention that we have upgraded our arena! We now have enough room to provide seats so that cats can watch at the stadium. We're awesome on TV, of course, but there's simply a feeling that can't be replicated by being there at the ballpark!

(Walks to the edge of the stage and waves to the crowd.)

Birchfall: Audience, say hi to the cam-whoa!

(Falls off the stage.)

Whitewing: Oh great pumpkin pie, I think he's unconscious! Cut! Cut!

Camera cat: This show is live, stupid!

Whitewing: Well, at least get us off the air, stupid yourself!

Camera cat: I know you can't see me behind the stage, but this is Dovewing! You just called your own daughter stupid! That's not allowed! The kits can call their own parents stupid but the parents can't call the kits stupid, stupid!

Whitewing: I don't care who you are, just get us off the air!

Dovewing: We're not on the air, we're on the ground!

Whitewing: You know what I mean!!!!

Dovewing: Fine!

(Dovewing turns the camera off and screen turns black.)

Squirrelflight Again

Squirrelflight: I'm am super bored....

(Reaches lazily for her iPod and taps the screen a few times.)

Music: Can't ever get it right,

No matter how hard I've tried,

And I've tried.

(Squirrelflight starts singing along. As the song approaches the chorus, Leafpool enters the den.)

Squirrelflight and music: Tell me I'm a screwed-up mess!

Leafpool: You are!

SPOOF 6

Right after Firepaw joined ThunderClan

(Ravenpaw bursts into the camp looking terrified)

Bluestar: Ravenpaw, what happened?

Ravenpaw: Redtail....his pizza was stolen!

(ThunderClan gasps in shock)

Bluestar: Calm down, ThunderClan!

Longtail: But it was a pepperoni pizza!

Bluestar: How did this happen?

Ravenpaw: It...(passes out)

Bluestar: Spottedleaf! Get Ravenpaw a can of soda and make him drink it so that he'll feel better, okay?

(Spottedleaf nods and runs into her den)

Bluestar(to herself): She's an amazing medicine cat....only half of the soda that she gives to all the cats is poisoned.....that's the best rate of all the Clans medicine cats!

Graypaw: This is a disaster! No cat's pizza has been stolen since the great war of the Clans that happened yesterday!

(Firepaw bows his head and nods seriously)

Graypaw: Redtail, Tigerclaw, and Ravenpaw were just supposed to take Sunningrocks back because Bluestar wants to build a new pizzeria...but now....Redtail's pizza has been stolen!!!!!!!!

Whitestorm(with his head bowed solemnly): It is a huge offense to

steal another cat's pizza. Whichever cat did this broke the most important rule of the warrior code.

(Tigerclaw comes into the camp dragging Redtail's body.)

Bluestar: Tigerclaw? What happened?

(Tigerclaw drops Redtail and bows his head.)

Tigerclaw: He died with honor. RiverClan's deputy, Oakheart, stole Redtail's special pepperoni pizza.....Redtail chased after him but Oakheart walked under a pile of rocks and intentionally dislodged them on top of Redtail. I managed to catch up to Oakheart, jump on top of him, and kill him.

Bluestar: Oh, well, Redtail's not that big of a deal...he doesn't matter if he couldn't even protect his own pizza...but what's important is....WHERE'S THE PIZZA?!?!?!?!?!?!?!?!?!

Tigerclaw: Well...I ate it!

Bluestar: Why did you do that? I would have enjoyed to eat that pizza!!!!!!

Tigerclaw: Um...you have lots of pizzas at home and you're allergic to pepperoni!

Bluestar: Yes, you're right.....anyhow Lionheart's the new deputy!

****

(At the Gathering)

Bluestar: Brokenstar, where is WindClan?

Brokenstar: They refused to let my warriors eat any of their mushroom and black olive pizzas.....so we drove them out and ate them anyways!

(All the Clans gasp)

Brokenstar: Bluestar and Crookedstar, you both know that

ShadowClan loves pizzas the most...

(RiverClan and ThunderClan snarl in reply)

Firepaw: No, ThunderClan does!

Mistyfoot: We eat more pizzas that you, stupid ShadowClan fool!

Graypaw: Why do you think I look so fat? Because I eat too many pizzas!

Brokenstar: SILENCE!!!!

Brokenstar: If you don't give us some of your pizzas each day...WE'LL DRIVE YOU OUT JUST LIKE WE DID TO WINDCLAN!

Crookedstar: I have agreed to give Brokenstar ten pepperoni pizzas a day...

(Shocked yowls come from the RiverClan warriors)

Darkstripe: Bluestar, don't tell me you've agreed to this nonsense!

(Bluestar stares calmly at the crowd)

Bluestar: I have agreed to nothing except to discuss Brokenstar's ridiculous demands after the Gathering....

***

(After the battle with ShadowClan[Lionheart's death] deputy ceremony)

Bluestar: Lionheart died honorably defending our pizzerias from Brokenstar and I'm afraid I need to waste my breath again so that I can appoint a new deputy...I haven't forgotten how one cat avenged the stealing of Redtail's pizza....Tigerclaw will be the new deputy.

Ravenpaw: She should've never chosen him....

Firepaw: Why?

Ravenpaw: Oakheart wasn't the one who stole Redtail's pizza.

Tigerclaw stole....

Tigerclaw(glaring at Ravenpaw): Are you telling Firepaw how I got Redtail's pizza back from Oakheart?

LALALALALALALALA!!!!!!

FIRESTAR YOU CAN'T STOP ME!!!!!!!!!!!!!! :P I'm not your apprentice anymore you pitiful excuse for a leader!!!!!!!

Love,

Cloudtail >:)
